PERSONAL INVITATION

We cordially invite you to celebrate the 80th anniversary of

BARBARA NOWY

The “West-Berlin” | Spandau artist, will celebrate her birthday in “East-Berlin” | Prenzlauer Berg with an exhibition highlighting major pieces of her work.

[...arrived.]*

The exhibition will feature a selection of previously unseen works, composed in a so-called “Petersburg Hanging”, that will unite the individual paintings like a bouquet of flowers.

This cabinet-exhibition will be complimented with a “progressive” cluster of small images. The unconventional presentation displays the art itself as well as introducing the visitors to a whole new aesthetic.

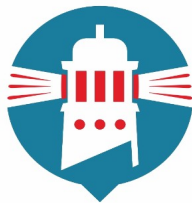

Grand Opening on February 11th '23 | between 3pm and 10pm

[free admission | registration required | contact info@servicewerk.com]

This exhibition will run from Feb. 15th until March 4th 2023.

We look forward to your attendance.
